The Ontario Provincial Police Weekly Report:

On April 1st at 8.37 P.M. a car driven by Brian M. Remus, age 18 of South Monaghan Township, struck a washout on Concession 3-4 E 1.9 miles east of County Road #16. Minor injuries were sustained when the car came to rest, upright, 18' west of the washout.

Break, Enter at Westgate Speedway-

This occurred between 23 March and March 28 at the ticket booth at Westgate Speedway. Stolen were - 4 headsets, 4 bell boxes, 2 Pyrene fire extinguishers and one set of racing flags - black, red orange, checkered. Investigating Officer - P.C. Allison.

Break - Enter Medical Centre - Millbrook, Ont.

This occurred on March 30th. Most of the rooms were ransacked and two wooden doors damaged. Investigating Officer - P.C. Allison.

Lavern Gibson of Millbrook will preside over the board of directors of the United Counties Children's Aid Society for 1973. Directors include Stewart Galberry of Millbrook and county council representatives Lawrence Winslow, deputy-reeve of Cavan Township.

The Millbrook District Chamber of Commerce is sponsoring a "Clean-athon" of Millbrook on Friday afternoon 27 April 1973. The Millbrook High School students will clean the streets of litter and garbage. Each student will obtain as many sponsors as he can and the money received will be used for school needs such as uniforms, trophies and so forth.

About seventy Holstein breeders from all parts of the United Counties visited the farms of Karl Herringa, Allan Hutchison, Don Cathcart and Jim Seymour recently. Many of the area Holsteins rate in the top 2% Canada-wide, and sales have been made to France, Italy and Africa.

Bob "In-turn" Carr continued his winning ways in the Gulf curling bonspiel and with six consecutive victories squeezed out the runners-up, Russ Kennedy, 5-1, and Allan Hutchison, 4-2. Top skips in Alberta and Saskatchewan, please note. There's a new threat to your supremacy, on the horizon.

The local Sea Cadets, whose home port is R.C.C.S. Howe (formerly Whitfields schoolhouse) urgently need those old tables that you have taking up space that could be used otherwise. They have several projects under way that require work bench facilities and it's a nuisance to have to borrow tables for the evening and then return them next morning. Give Steve Boynton or Bob Carney a call if you can help the boys out. Condition of the tables isn't important - they'll repair them. And, thanks, in advance.

Among the many congratulatory messages received by Mrs. T. Harkness on her one hundredth birthday was a telegram from Jake Miltz - a former well known and liked member of the Millbrook community.

Reg. and Bud Dufty would like to thank the neighbours and friends of Millbrook and surrounding area for the cards of sympathy in the recent loss of their Mother.

AND 'T WAS FROM AUNT DINAH'S QUILTING PARTY, I WAS SEEING NELLIE HOME.

And if you remember that old song you're on your second set of choppers.

We have a set of quilting frames with clamps and also a set of window curtain stretchers. Any organization, such as senior citizens, are welcome to them free of charge - price to antique collectors, for both \$5.00

We also have a book "A Thousand Answers to Beekeeping Questions" by Dr. C.C. Miller. This is free to anyone who wants it. We want to get rid of it. A friend of ours got interested in birds and bees and lost interest in girls.

Our hockey midgets were down in Wellington recently for a tournament. They polished off Brighton in overtime with Pete Clarke doing a "Frank Merriwell" by scoring the decider with one second to go. This brought them up against the powerful Niagara Falls aggregation and the result wasn't quite as rosy as in the first encounter. However, this well balanced team, with Brian Page, as policeman will have plenty to say next year about who brings home the silverware.

So, farewell to hockey and a nod to softball. The diamond was drying up beautifully until spring got sidetracked a few days ago. With lights and a few bleacher seats, as possible improvements in the park, it should be a good year in the diamond sport. The matter of an all-star girls softball team is still a bit "iffy", according to information given the Chronicle.

A young lady outlined her 'battle plan' to the Chronicle, when she wins the fifteen minute shopping spree sponsored by a soft drink company. The company will pay for all the groceries that four people can grab off the shelves in a fifteen minute period. So, she has enlisted the services of two sisters and Mike to help her. Jackie, another sister won't get in on the act because "she would head for the soft drink and candy counter" and this stuff doesn't rate with lobster and steak in value. And to Momma, we would advise, Tracy, "don't buy any additional freezers to hold all this stuff until Tracy gets word that her entry has been accepted".

Mr. Marshall Larmer loaned the Chronicle a copy of a 1912 prize list of the Millbrook Central Exhibition. T.A. Kelly was president and J. N. McGill, secretary-treasurer. Among the advertisers in the book were The Old Reliable Livery - A.J. Larmer O'Hara Brothers - Millbrook Creamery and Bensford Cheese Factory. T. J. Lang - The boot and shoe man. The Bank of Toronto - Morgan Carry. Assets \$57,000,000 Experience 57 years. R.J. Munro - the leading \$1.25 a day house in Peterborough. The Bailieboro Hotel - J.W. Hutchison Good hostler in attendance. Union Bank of Canada - C.C. Keele Mgr. Millbrook branch. Dr. Sam Clarke - advertising painless extraction of teeth. (Ed. note - we've heard of this old joker - he was painless - he'd pull a tooth and say "that didn't pain me a bit". He lived in the house now owned by Mrs. Sheppard.)

A. Leach - Chemist and druggist. In the prize list the Millbrook Mirror offered one years subscription for the best pound of butter and two loaves home made bread - to become property of the Mirror. J. Albert Richards (Happy Birthday) grandfather and grand uncle published the Mirror.

A couple of rules outlined in the booklet are of interest. To-day one of them could lead to a Women's Lib lynching party. Listen to this one - "Rule 25 - No animal can compete in more than one class, except lady drivers or saddle horses." Rule 27 - Anyone who shall afterwards on the premises of the Society use any contemptuous or abusive language to any judge in consequence of any award made shall forfeit the right to exhibit for two years thereafter."

Apparently the directors subscribed to the theory that men were superior to women. Women have now cancelled the subscription.

Nothing in nature is more beautiful than a snowflake. Unfortunately, they just don't come singly.

A bank received the following brief note with the final payment on a loan contract. "Dear Sirs: This should make us even. Sincerely, but no longer, yours ..."

Subscribe to the Chronicle - we're going to improve it.

THE OLD PROGNOSTICATOR:

Stan, The Man, hasn't yet hit mid-season form in calling the winners but is shaping up well. This week he had a great deal of confidence in his voice when he gave me Roger Ringo in the 2nd.

In order to get a second opinion we asked a chap sitting at the table, slurping coffee, who he liked at Kawartha Downs on Saturday - and he thought the cashier at wicket number 7 would be his selection.

CONGRATULATIONS:

Art Trick and Ted Scott proudly announce the arrival of the first Muscovy duck egg - according to them the earliest in history. We checked the Guinness Book of World Records and saw nothing to dispute this claim. We'd be glad to take the check out this fall if we could have cheese and quackers.

NOTE CHANGE IN DATES:

You are cordially invited to witness a special Easter Pageant as portrayed by the Parish of Cavan Choir, in St. Thomas Anglican Church, Millbrook, on Palm Sunday evening at 7.30 P.M. April 15th.

Something new has been added to the Bingo April 12th Legion Hall.

We read the other day about an 18 month old baby, somewhere in the States, likely Texas, who can lift his own weight - twenty five pounds. The perils of this heavy weight lifting should be pointed out. A few years ago a Millbrook man was on his honeymoon. They went into the Pontypool Hilton with the bride carrying the suitcase. A bellhop noticed her and said to the man "That case must be pretty heavy, isn't it?" The Millbrookite had a look and said - "Gosh, all hemlock, it sure be. She wasn't bow-legged when I was courtin' her."

Mr. Elwood Fallis was a Sunday visitor in the village. He furnished the Chronicle with an excellent suggestion for Old Home Week - which will be followed up. He is also getting in touch with some ex-Millbrookites on the west coast - who still have a warm place in their heart for Millbrook.

Mother - to small son - "Twenty years from now you'll be telling some girl what a great cook your mother was. Now eat your dinner."
