## Soap Box Race A Success Despite Fewer Entries

For the sixth year in a row Millbrook has run a very successful soap box race, fully sanctioned by the Canadian Soap Box Racing Association. About half of the entries in the May 28 race were local, which is very encouraging to organizers.

Many more cars usually come from the Toronto area but bad weather there on race day is blamed for a reduced number of entries compared to previous years. Another race in Frankford was also a contributing factor, according to race director Ross Jenkins.

Twenty-six cars were entered in the race this year and many of the participants earned trophies for standing in one of the four classes or for special awards.

The Lions Club of Millbrook and District took over sponsorship of the race last year and have done "a terrific job of organizing the event," Jenkins said. He hopes the association with the Lions Club will continue.

Jenkins has offered his assistance to anyone interested in building a car for the race next year and to any group interested in establishing a local race in any area community. He can be reached at 932-5297.

All special awards at the May 28 race were presented to local

drivers. Robert Stewart was judged most courageous driver, Michael Cripps best local driver and Brian Hilditch had the fastest time.

Wendy from Wendy's Hamburgers was on hand and judged the design awards. Scott Ball won for best original design and Lee Jenkins for best overall design.

The C class race, for local drivers only, was won by Travis Clark of Millbrook. Scott Ball also of Millbrook was second. Third place went to Brian Hilditch of Fraserville (Cedar Valley), fourth to Michael Cripps of Millbrook and fifth to Ed Chaplin of Millbrook.

Other trophies for finalists in this class were won by Spiro Rakkas,

Robert Stewart and Richard Chaplin.

The senior B class was won by Dianne Hearne of Oshawa while Debbie Draker of Hamilton placed second and Darren Nichols of Dundas third.

In the junior B class Michael Evans of Bramalea was first, only one hundredth of a second ahead of Jamie McCoy of Millbrook. Eric DaRossa of Bramalea was third.

The winner again this year in the A class was B. J. Large from Bramalea. Janet Hearne from Oshawa was second and Jason Kew from Hamilton third.

Registration commenced at 8 a.m. and racing was complete by mid-afternoon.

## Bethany Holds Annual Victoria Day Celebrations

By Merla McGill

On the Victoria Day Long Weekend, the village of Bethany recorded another successful holiday celebration. The Bethany Athletic Association, the prime organization behind this event, is now in its 74th year.

On Friday evening, the sky was lit up with a spectacular selection of fireworks, which were masterfully handled by the village firemen. The display kicked off a weekend of celebrations and events which included the Fourth Annual Bethany Men's Fastball Tournament.

Bailieboro took home the first prize of \$400, with Pontypool putting up a good showing to win the second prize of \$200. Lindsay York Tavern went home with third prize honors, and participation by all teams was enthusiastic and entertaining.

On Monday, May 23, children and adults alike joined and enjoyed the Victoria Day Parade held in bright sunshine at noon. Tricycles and bikes, clowns and comics, floats and displays made their way through the village, with horses and ponies, antique cars and horse drawn carriages adding

to the spectacle. There was an impressive turnout, and prizes were awarded to the best entries in close to two dozen categories.

Prizes were also awarded to a host of participants in the celebrations falling into categories such as the most recently married couple (Don and Deb Timms), the newest family in the village (Abe and Sharon Hofstede) and the grandparents with the most grandchildren on the grounds (Mr. and Mrs. Doug Smelt).

The weekend also included races for all ages, and entertainment for the children provided by the Shriners' Clowns from Peterborough. The Manvers Kinsmen Club once again featured the Soapbox Derby, with Jim Kleopfer, Will Capeling, and Mrs. Shewchuk judging the events. In Class 2 for contestants ages 8 to 11, the winner was Stacey Brooks, with Kevin McReelis coming in second, and Toby Baker third. Susie Neals took first place in Class 3 for drivers age 12 to 15, with Jono Brooks winning second place, and Andrea Baker earning the third place spot. Overall winners were Susie Neals, Stacey

Brooks, and Jono Brooks in first, second, and third places respectively, and Toby Baker won the award for Best Paint and Design.

The level of participation, both in the village and throughout the region, was high, and prizes were donated by many local groups and businesses.

### RECOVERY

The many friends of Arnold Armstrong will be glad to learn that he is making a steady recovery from his prolonged illness.

He was able to make a brief visit home last month and soon to be returning to Millbrook to once again take up residence.

## Rabies Clinic July 9

By Celia Hunter

A Rabies Clinic will be held July 9 from 8:30 to 5:00 at the Old Firehall in Millbrook for the benefit of all pet owners in Millbrook, Cavan, and South Monaghan Townships.

The Clinic has been arranged in response to the alarming number of rabid animals, both farm and domestic, that

have been identified over recent months in the area.

All residents owning cats and dogs are urged to attend the Clinic, which is being sponsored by the three area councils. The cost will be \$2.00 per animal, and dogs must be leashed and cats controlled by an adult.

## Seniors Complex

### To Open June 19

By Celia Hunter

This Sunday, June 19, is the date set for the official opening ceremony at the Senior Citizens Lodge in Millbrook. Art Thorne, who will be one of the residents of the Lodge, is scheduled to raise the flag, marking the opening of the new complex.

Federal Member of Parliament Allan Lawrence, Peterborough M.P.P. John Turner, and Municipal Affairs and Housing Minister Claude Bennett have been invited to attend, and invitations have been issued to all prospective residents of the Lodge as well as area councils. The public are also welcome.

The Lodge, which was designed by architect Larry Argue and constructed by ParTak Construction Ltd. of Cobourg, includes 24 apartments as well as a recreation room and laundry facilities. All but three of the apartments have been filled, primarily by residents of Millbrook and the surrounding area.

Landscaping is in progress and flower beds have been planted. There have been no garden plots set aside this year, but it is hoped that garden facilities will be available next spring for residents' use.

The opening ceremonies promise to be on a grand scale, with participation by the Millbrook Legion and Salvation Army bands, and attendance by local dignitaries and clergy. It is hoped that the Lodge will be ready for occupancy by July 1.

## Legion Elects New Executive

By Jamie Richards

Branch 402 of the Royal Canadian Legion held elections on May 22 at the Millbrook Legion Hall. There were 53 voting members in attendance.

Lloyd Slack was re-elected president and Vic Homewood was voted first vice-president with Don Corfe as second vice-president. Margaret Dew was elected secretary and Rex Park holds the position of Sergeant-at-Arms.

The executive committee chosen includes J.H. Raper, Gerry Martin, Brent Dawson, Marg Baker, Walter Challice, Russ Reid, and Bill Brooks.

The elections were overseen by Zone F2

Legion Branch 402 - 1983 Executive.

Commander Ken Jefferies and his wife Evelyn, and District Sports Officer Frank (Dude) Hills and his wife Dora, all from Branch 30, Port Hope. Installation of the new officials took place immediately following the elections.

## Area Libraries Set Summer Programs

Again this summer the Regional Library system is sponsoring a summer reading program for children of all ages, from beginning reader to teenager. This year's theme is 'Hog Wild' and features buttons, coloring sheets, reading cards and certificates with the "piggy" motif. Registration for the program will take place during the week of July 12th to July 26th.

Also this year the library is employing a student under the student internship plan. Our student is Kathy Barclay and as well as helping out in the three libraries in Cavan, Kathy will be assisting the historical society to compile a history of the area. She has a wide experience in working with groups of children and hopes to run a summer craft program at Millbrook Library on Saturday mornings. Plans are still being finalized for the craft program so watch the bulletin board in the library for more information.

The popular puppet shows put on by the Deckhands are returning to Millbrook again this summer. Held at the Cavan township hall the puppet shows will be Friday, July 15, at 2 p.m. and Friday, August 19, at 3 p.m.

Summer hours at Millbrook library will be the same as the winter with the exception of an extra hour Saturday morning to accommodate the crafts program. This year the library will close for summer vacation from Tuesday, June 28 until Monday, July 11, inclusive. We reopen on Tuesday, July 12th and hope to see as many of our readers as possible at the various events we have planned for the summer months.

**Summer Schedule at Millbrook Public Library (clip and save)**

June 28 - July 11 - Library closed for vacation.

July 12 - July 16 - Registration for reading program.

July 15, 2 p.m. -

puppet show.

July 16, 9 - 10:30 - tentative date to begin crafts program.

August 19, 3 p.m. - puppet show.

August 26, 1 p.m. - Party for hog wild readers at the library.

### Mount Pleasant Library Summer Schedule

July 5 - Registration for summer reading program "Hog Wild."

July 12 - and other Tues-

days during the summer there will be some extra activity at 2:30 p.m. except for July 26th when the Deckhands will present a puppet show at 10:00 a.m.

The library will be closed for holidays the first two weeks of August. Hours for the summer, the same as usual: Tuesdays and Fridays, 1:30 - 4:30 p.m. Thursdays, 2:30 - 4:30, and 7 - 9 p.m.

## Guides End Season

By Jane Allison

The Millbrook Brownies, Guides and Pathfinders ended their year of activities with a tasty banquet on Monday, May 30 at St. Thomas Anglican Church Hall.

Following the banquet, new leaders were enrolled by District Commissioner Claire Francis. The Brownies welcomed Ann Burt as their new Brown Owl, and bid farewell to Joan McDonald and Dianne Koropatwa, who have spent at least four years as Brownie leaders. Ann's new Tawny Owl will be Betty Van Beek.

The Girl Guides also welcomed new leaders as Phyllis Dunkley renewed her promise. She is a former Girl Guide from the Barbados, and will be Guider in Charge relieving Jane Allison.

Janis Eastwood is her new assistant Guider, replacing Betty Mayhew who has spent the past three years with the company. Betty will be kept busy now with the Pathfinders as an assistant to the Guider in Charge, Marg Warner.

The Guides and Pathfinders are looking forward to their annual weekend Camp Under Canvas, being held again at Langley Park, June 17 to 19.

A candlelight service brought the evening to a close, with some of the Brownies, Guides and Pathfinders assisting District Commissioner Claire Francis, and company prayers concluding the worship.

Another successful year of Guiding is anticipated starting in September.

## Christian Education Averages 70 Members

The Christian Education Department has averaged 70 in attendance during the past month. It is a learning and creative hour for boys and girls at 9:45 every Sunday morning. There are 9 dedicated teachers with leadership given by Mrs. Nancy Olan and Mrs. Edith McKinlay. The class for singles and young marrieds is headed by Mr. and Mrs. Jim Coe. In the church auditorium, Mrs. Linda Syer very capably teaches an Adult Bible study class each week. Their studies for this Spring have been "Life in the Holy Spirit". An exciting Vacation Bible School is planned this summer for all boys and girls of the community to attend every morning from August 29th to September 2nd.

A musical group of Indian Christians from the Mohawk reserve in Deseronto were featured guests at the Church on Sunday evening May 29th. There was an excellent congregational attendance in the service and everyone thoroughly enjoyed their testimonies and music.

The Missionette girls and Crusader boys programs concluded for the

season with a beautiful family banquet at the church on Tuesday, June 7th. Several girls and boys received honor badges and bars for their accomplishments. The featured speaker was Mrs. Dianne Butt from Ennismore.

Last Sunday, several of our Men's Fellowship, led by President Lloyd Armstrong, returned from an enjoyable three day retreat in the Ottawa Valley. This Sunday, June 19th is Father's Day. Our guest speaker for the morning service will be Rev. Wayne Wardell, chaplain of the Millbrook Correctional Centre.

Tomorrow evening, June 16th at 6:30, the women's Ministry of our Assembly are closing their meetings for the season with a supper at the home of Mrs. Leona Hutchison. Mrs. Gordon Bjorgan, of Peterborough, is the guest speaker. This Friday at 10:30, the W.M. will be visiting and ministering to the residents at the Springdale Nursing Home. Mrs. Wendy Coe is this year's W.M. President. Summer is upon us and school days are soon over, so we wish everyone a safe and a happy holiday season.

### Millbrook Mini Minors

by Janet Harding

# Teacher Honored After 38 Years Service

By Celia Hunter  
 Friends and family of Mrs. Lola Thexton gathered in the gymnasium of South Cavan Public School on Sunday, May 29 to wish her all the best, both on the occasion of her birthday and for her retirement, effective this June.

Mrs. Thexton has been a teacher in the area for 38 years, with approximately 1,000 pupils able to boast that they were once in her class. In a glowing tribute to the popular teacher, the present principal, Al Ross, described her as "a terrific lady". She was presented with a large salon mirror framed in brass, and brass lamps and candlestick.

Thanking the large crowd who came to wish her well, Mrs. Thexton stated "I am looking forward to my retirement because there is lots to do and see, but I hope to be back some days to help out."

# Millbrook Firemen

## Hold Annual Field Day

By Celia Hunter  
 The Harwood Fire Department took home first prize at the annual firemen's field day, held Saturday, May 28 at the Fair Grounds in Millbrook.

There was a disappointing spectator turnout for the event in which five area fire departments took part. Competition was keen

as teams raced against time in tests of skill which included an obstacle race and pumped-water target shooting.

Coming in second in points after the Harwood Department were the Millbrook-Cavan team, with Bewdley winning third spot. Omeme-Emily and Bethany placed fourth and fifth respectively.

## Fireworks Planned for July 1

by Celia Hunter  
 Canada Day celebrations this year in Millbrook will be limited to the fireworks display on July 1, and a dance scheduled for July 2 in the Arena, with music by Cimmaron.

Area residents will again be canvassed to support the purchase of fireworks, and donations will be collected in gallon pickle jars which will be placed in the Cavan Township Municipal Hall and

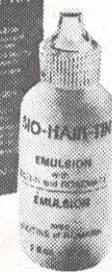

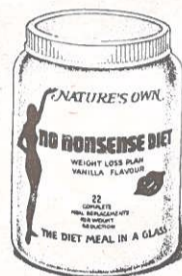

Calhoun's I.G.A. The total funds collected will dictate the value of fireworks to be ordered.

Area groups and organizations such as the Lions Club of Millbrook and District, the Recreation Committee, and the local branch of the Royal Canadian Legion as well as area municipal councils have been approached for donations.

The display is for the enjoyment of all; there is no admission charge.

## EDITORIAL

I know much has been made recently about the nuclear arms race - this editorial has even touched on it. About the "Soviets" saying one thing, the "Americans" another in regards to their military strategy, weapons, missile bases, missile and weaponry testing.

In spite of all this all-out stockpiling of war materials the talk is, supposedly, of peace! But this isn't what I want to talk about - it's something that is much closer to home and something that we are involved in.

Recently, I read a letter sent in to Global T.V.'s Peter Trueman from a grandfather in Sudbury. Unfortunately, it is too lengthy to reprint here. In this letter, this grandfather discusses the arms race from a personal point of view. To be exact, the effect that a nuclear war would have on his grandson. But this man held no animosity towards the Soviets and had an interesting point to ponder for all of us.

The Soviets, he says, are also parents and grandparents - so why would they want nuclear war any more than we do? They, like any grandparents and parents, would not exactly relish the thought of seeing their youngsters made into several million pieces of flesh by a nuclear explosion. We also know that governments, especially those in communist countries, do not always represent the people's wishes or concerns.

Thus, what we can get out of this is that when the media say "the Soviets are proposing this..." and so on they are really lumping all Soviets, or Americans for that matter, into one whole group that agrees with whatever is being said. The people who ARE responsible for these decisions are a very, very small group. The majority are the same as you and I - with the same concerns, feelings, emotions, problems and other things pertinent to life on the planet Earth.

So remember before you blame the "Soviets" for the current strife in the world, they too are grandparents.

## LETTERS

### MHS Important to Town

"I don't have any kids in the high school so it doesn't affect me any."

People with this opinion are only looking at the surface of the situation so perhaps it is time someone pointed out the realities that will accompany the closing of the Millbrook High School.

First we'll start with the things that I consider most important, and then we'll turn to facts that the above mentioned people have failed to take into account.

Choice: This I feel is the most important of all.

I have two daughters in what is called the feeder system (public school). When they are about to enter high school, they may, for various reasons, choose one of the many fine schools in Peterborough or, if the alternative is still available, they may decide to continue their education in Millbrook. Once the high school is closed, that opportunity is

forever gone.

**Standards:** The academic standards of the Millbrook High School are so high that some students choose a Peterborough school because of a real or imagined inability to make the grade in town.

**Discipline:** Partly because of the small school size and also thanks to the excellent staff, the Millbrook High School enjoys a reputation as a trouble-free educational facility. Indeed students considered to be trouble elsewhere are directed into our school where they have been gently guided and prodded into a more successful scholastic career.

You read about drug problems, drop-out rates, teacher beatings and withdrawn children. While I'll not suggest that the same could not happen here, I will ask who has heard of it up to now?

With the more personalized teaching (read smaller classes),

the student that is having difficulties with his or her studies can find help rather than feel lost amongst a thousand other students in some large facility. Not always but in most cases, the student having difficulty with his or her studies and unable to find help will become frustrated, and may seek release from these frustrations through a violent act or an undesirable action. Examples of this type of student have found their way to "our" school and have had very successful studies.

The students, staff and facility here do not lend themselves to trouble but rather they counter it.

Well so much for what I feel are the most important considerations. Now to hit the doubters in the wallet.

**Real Estate:** When we moved to Millbrook, the K-13 system was a good selling point. Here was a small, self sufficient community. The taxes were very reasonable and the people friendly. If the high school is closed, property values will very likely decrease.

Iris Fowler of Edvan Realty has at present

undertaken a study of the effects on real estate in the event that the school closes. The results of that study will be of interest, I'm sure.

I have heard some people suggest that they may move closer to a high school when their children reach an age where they have a need for one so that the children will not miss out on the extra curricular activities. This brings us nicely to the mill rate which governs our taxes.

**Taxes:** What do you suppose is going to happen to our taxes when there is no increase in our population? Everything goes up, but if the population growth does not keep pace with inflation then the town and its people are going to suffer.

Let history be a teacher here.

What happened to the major centre that Millbrook once was when electricity replaced the power supplied by the mills? What happened when the railroad was taken out?

The town shrunk a bit each time and while those who are thinking that they like a small

community share the same beliefs as I do, without moderate growth, or worse yet if there is more shrinkage, this community could cease to exist.

It's like a snowball rolling downhill.

First, the high school closes, then people bypass, or leave, Millbrook, rightly chasing a better education for their children. Fewer people in town will mean fewer people to support the dwindling number of businesses and they in turn will be forced to move elsewhere in search of a living, or perhaps close altogether.

With what now amounts to no high school, possibly fewer stores, and higher taxes, we are once more back to people over-looking a house purchase in Millbrook as well as people (perhaps renters that do not have the worry of trying to sell) moving out. How long could a small community like Millbrook survive a siege like that, and how long before the all-seeing eyes of the school board begin casting furtive glances at our public school?

Sure there are some

that may suggest I am exaggerating a point, dramatizing a situation or even using scare tactics, but while these things may not all happen the day after the school is closed, I feel they are a very real possibility for the future should it close.

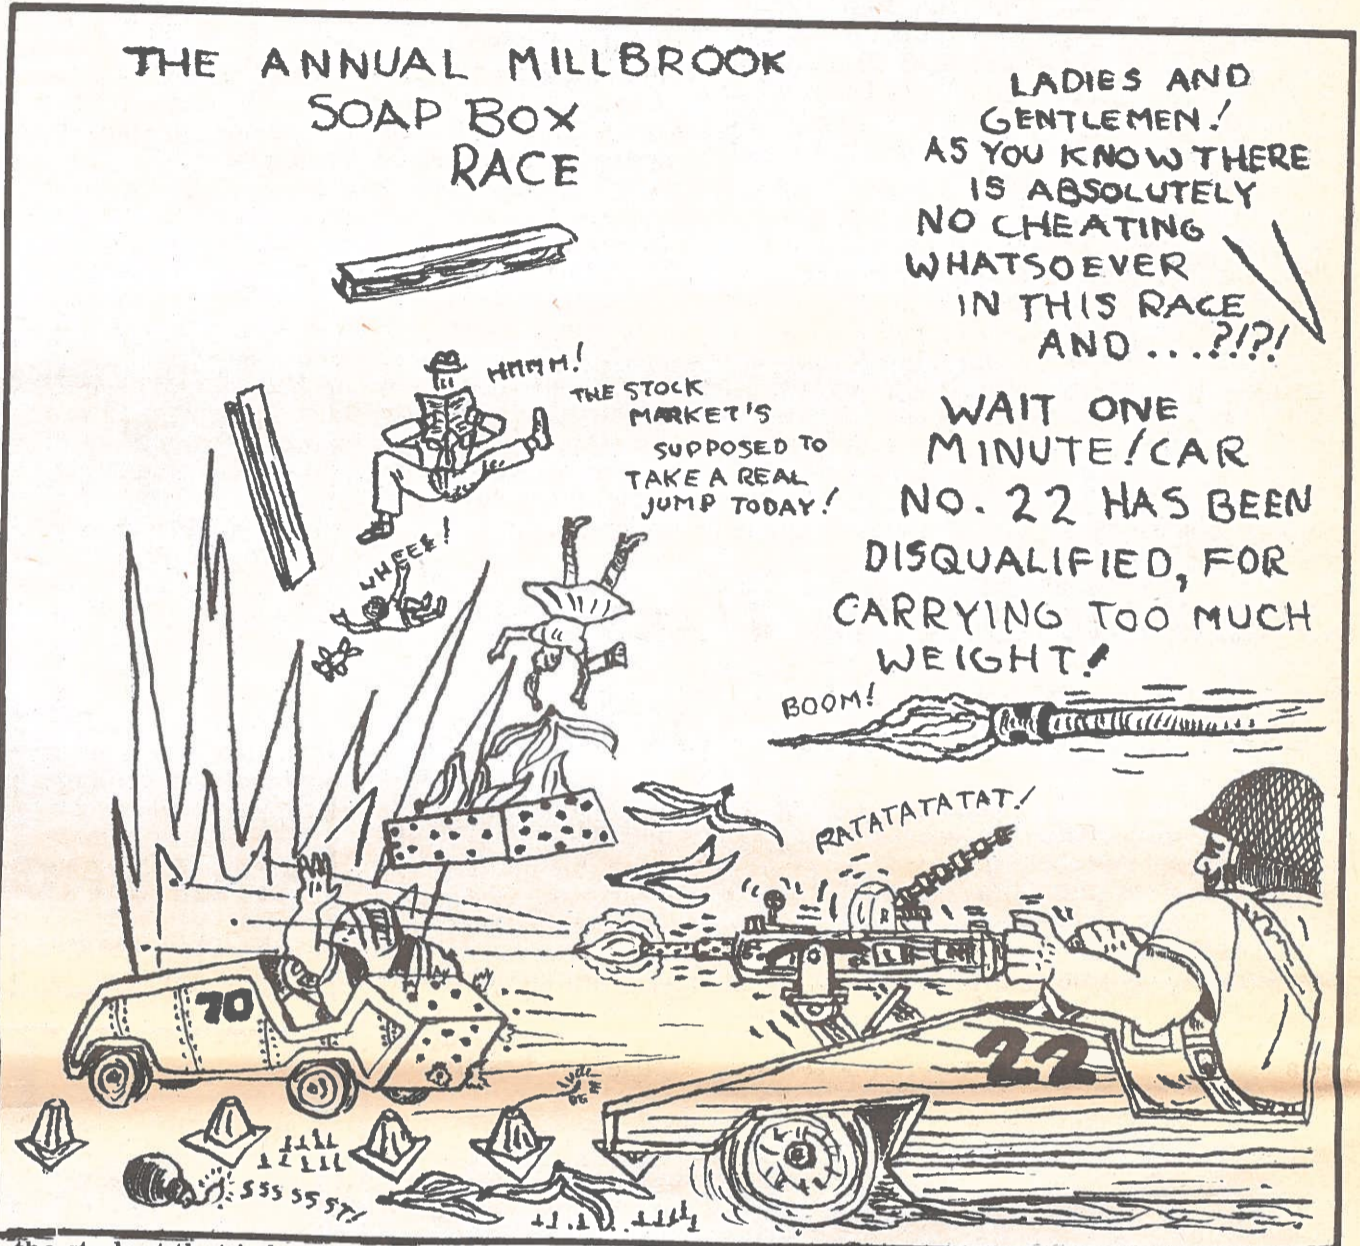

There seems to be a small group of people that are trying to work for the betterment of the community as a whole and they are doing a fine job, but in this battle the help and support of the entire area is needed to win.

Remember, this is your home, and you share in the benefits that this area offers, but if the high school closes it will not matter whether you have children going to it or not, you will share in the loss.

This is a fantastic area in which to live, please help those that are fighting to keep it that way. We are a small area, far away from the school board trustees, so for us to be heard we are all going to have to shout together.

Millbrook High School: because our future starts today.

Don Hedlund  
 Millbrook, Ontario

## QUEEN'S PARK REPORT

# Ontario Government Forms Ministry of Women

by John Turner, MPP  
Peterborough

One of the most important commitments made in our government's Throne Speech this year was our promise to create a new ministry that would be responsible for women's issues.

This is an important commitment. Right now, women represent about 42 per cent of our workforce, and more than half of all women work outside the home.

As the number of women in our workforce has increased, so has the need to look at pressing issues such as the wage gap between men and women, pension reform (particularly for women who take time out of the workforce to raise chil-

dren) and legal reforms.

For that reason, the Ontario government decided to establish a Ministry of Women, and to appoint a senior Cabinet minister as its head. Recently, Premier Davis announced that the Hon. Robert Welch, the deputy premier and Minister of Energy, had agreed to accept this important and demanding position.

Mr. Welch has served in the Ontario Cabinet for many years now, and his record of success in a number of different portfolios has earned him the respect of colleagues, co-workers and the public.

He is also well acquainted with many of the issues facing

women today. As a matter of fact, when he was our Attorney General Mr. Welch began the process of family law reform in Ontario. As well, as Secretary for Social Development Mr. Welch introduced a green paper on equal opportunity for women in Ontario, which was a valuable source of debate and discussion.

Perhaps most importantly, Mr. Welch's appointment has received the full support of the Ontario Status of Women Council, which is a vote of confidence that will help a great deal in his new responsibilities.

Although this new ministry is an important step, it is just part of our government's commitment to equality for women.

For example, the Ministry of Colleges and Universities has created a special 16-week course called Women Into Trades and Technology. This program is available in Ontario's community colleges and is preparing women for specific areas of technology training.

The Ministry of Education has undertaken a number of steps to eliminate sex stereotyping in the schools and the preparation of non-sexist learning materials.

The number of day-care spaces in the province has tripled in the past 10 years. The Ontario government plans a gradual expansion of subsidized spaces available to children from low-income families, an expansion of service for handicapped children and increased support to improve facilities in existing day care.

The Ontario government has also shown leadership in bringing fairness to the workplace for the province's working women. Through two agencies of the Ministry of Labour - the Ontario Women's Bureau and the Women Crown Em-

ployees Office - the province has taken affirmative, positive action to protect and extend the place of women in the office, in the professions and on the shop floor.

Part of the problem, when it comes to women's issues, is education. To meet this challenge the Women's Bureau has issued a series of pamphlets on women's rights in the workplace.

Under the Family Law Act, the government also established that

partners in a marriage are equal before the courts, each with their own rights and their own responsibilities.

As well, our government extended the provision of the Ontario Human Rights Code to ensure that women have a fair chance in the workplace.

As you can see, then, the creation of a Ministry of Women is just one more important step in our commitment to securing equality of opportunity in all areas for women in our province.

## Council Seeks Uses For Old Public School

By Celia Hunter

The public is invited to put forward their ideas on the fate of the former Millbrook Public School at a public meeting to be held on Monday, July 4 at 8 p.m. on the top floor of the Arena.

The founding of a Recreation Complex in the former Millbrook Public School building is the only proposal regarding future use of the facility to surface so far, and the committee responsible for the idea has yet to make a formal presentation before Council.

A Council decision has to be reached by September as to whether or not the village should purchase the school, which is of considerable historic interest. So far, they have heard no recommendations.

The Recreation Complex proposal,

which has yet to be formalized, includes plans for a program run along the lines of a Boys and Girls Club, where the community's children and youth could meet to play organized games and learn crafts and skills.

Classes for all ages in subjects such as art, music, dance, and sewing could be offered, and there are hopes for a games room and a meeting place for groups such as Brownies and Guides.

The Public School, empty for the past year, is well situated in the heart of Millbrook. Diane Hedlund, speaking for the committee behind the proposal, suggests that there is even room for a gym in the basement, and that a woodworking room is also being considered.

Asked how such a proposition could support itself financially,

Mrs. Hedlund replied that a small fee would have to be charged for the classes. She also suggested that a fundraising campaign could meet with considerable success, particularly as the community stands to benefit so directly.

As for upgrading the safety features of the building, she stated that research is being done as to the availability of government grants for such a project.

The village holds first option to purchase the property from the Peterborough County Board of Education for the sum of \$75,000, or just the school itself for \$25,000. The option agreement runs out in September.

# SCHOOL NEWS

Many awards were presented at the M.I.H.S. annual Awards Banquet on May 30. Shown here, Troy Carlson was awarded a certificate for outstanding score in the Canadian Mathematics Competition.

## Students Receive Awards At Annual Banquet

By Leslie Dickinson

On May 30, M.I.H.S. held their annual awards banquet at the Millbrook Legion. There was a great turnout and Karie Armstrong and Barry Redfern, boy and girl athletic reps should be commended for running such a successful banquet.

The guest speaker

was Greg Millen, present goaltender of the Hartford Whalers and former Peterborough Pete. Greg spoke about his hockey career and said how he thought our school was so fortunate being small and having such a close-knit feeling.

Top awards went to Garth Carlson and

Brian Brown for outstanding achievements in track and field. Another top award went to Karie Armstrong for an award of excellence in school spirit, physical fitness and athletic leadership.

Other top awards went to Troy Carlson for an outstanding score in the Canadian Mathematics Competition. The outstanding achievement in the field of Drama award went to Will Alexander. The C.I.A.G. Driver Education Award to Norm Gillis.

The school also awards Activity Letters to those students who accumulate 65 points over their high school years. Kim Heaton, Debbie Luchuk and Sharon Smith earned letters this year. An Athletic Letter was also awarded to Paul Sutton who earned 135 points.

### Intermediate Track Meet

By Kris Armstrong

On May 18, Millbrook Intermediate competed in the Peterborough County Board of Education Elementary Relay Meet held at Trent University.

Millbrook had a good showing by two of their teams. In the thirteen year old boys, the team consisting of Greg Luchuk, Fred Ross, David VanBeek and Mike Horton came second in their heat and fifth in the final. The fourteen year old boys and over team consisting of Karl Armstrong, Barry Danford, Rob Norsworthy and Jim Park came first in their heat and sixth overall.

## Drama Club Stages Play

By Arlene Kelly

Despite our rather rushed dress rehearsal on Wednesday afternoon, May 18, in front of the South Monaghan Public School, the students' performance that night of "No Oper'y at the Opera House Tonight" was a success.

There were many students from the community involved with acting and putting this year's presentation by the M.I.H.S. drama club together. All the cast and crew deserves a round of applause, especially Ms. Herage. She directed and made everything possible.

The villain, Robbie Taylor and his partner, the villainess, Nova Burke, played their parts magnificently. The Hero, Will Alexan-

der Park put on an outstanding performance, as Billy Bright a naive famous composer. His faithful loving sister Betty, played by Shelley Saunders turned in a stimulating performance.

The heroine, Kim Calberry, played an innocent and beautiful young girl.

The very humorous has-been Madam Violetta Salami was played with imagination by Arlene Kelly.

## Students Compete in French

A total of 87 competitors took part in the annual Peterborough County French contest May 11.

Four contestants from Millbrook Intermediate School participated, Karen Armstrong, Erica Mayhew, Luanne McKinlay and Lisa Westheuser.

Unfortunately none of the four placed in the top 15 but their efforts are to be commended.

The senior French competition for grades 12 and 13 was also held on May 11. Two grade 12 students, Kim Heaton and Philip Calberry represented M.H.S. against the other seven Peterborough County high schools. Although neither student placed in the top positions, they both did very well in the difficult competition and deserve our commendation.

## Lacrosse Season Ends

By J.D. Devan

The Millbrook High School senior Boys Lacrosse season ended with the Ontario Lacross Tournament held in Etobicoke, Ontario. On May 27 the team won their first game against Shelborne 5 to 3 but lost the second game to Aurora 6 to 3.

Earlier in the season M.I.H.S. hosted a Regional Lacrosse Tournament here and placed second with wins over Eastdale (3-1) and Kenner (4-2).

In single games during the season Adam Scott was defeated 6 to 5 in overtime. Earlier Millbrook had also defeated Aurora 6 to 4 at a

Tournament in Richmond Hill on May 6.

Congratulations to the team and coaches. Mr. Wood and Mr. Keeley on a competitive and winning season. Members of the team are: Will Alexander, Brian Armstrong, Philip Calberry, Steven Earle, Dwayne Dunlop, Scott Olan, Blair Smith, Chris

Mocon, Tammie Gray, Norm Gillis, Derek Rohleder, Garth Carlson, Rob Taylor, Brian Brown, Doug Powell, Barry Redfern, Troy Carlson, Randy Farrow, Victor Norsworthy, Raymond Boyd, Paul Burnett, Paul Sutton, Trevor Kimball, Kevin Morton, Dale Heard, Barry Danford.

## Nursery School Has Another Busy Month

Another busy month at Nursery School has passed with many things to report.

Our annual "OPEN HOUSE" was held on May 10. There are registrations available for September, 1983. If you wish to enroll your child, please contact Bev Gleibs at 932-5480, or Jeanne Roseboom, 742-7608.

"Photo Day" was held on May 2, 1983. The children, all dressed in their best, were photographed by Brian Johnson of National School Services.

On Wednesday, May 11, the children visited the "Dawn Nurseries". Mr. Ted Spearing very aptly pointed out the various plants and their differences on the children's level (by texture, smell, etc.). The children were delighted to be given an opportunity to plant their own Pansy to take home. Our thanks go to Ted and his staff for providing a fantastic outing for us.

On Thursday and Friday, May 19 and 20, both Nursery and Toddler groups paid a visit to Moore's Dairy Farm on the 10th line of Cavan. Diane and Katherine took the children on a tour of the farm, which included visiting the milk house, watching the milking process, being introduced to the cows, (who are all named), petting and kittens and the calves, and staring in wonderment at the size of the cows about to give birth. They also met "Tara", one of the Moore's horses and were all given a snack and drink before departing.

The moms of our Nursery School were very busy planning and decorating our float which appeared in both the Bethany and Millbrook Parades. This year again it received First Prize on May 23 in Bethany.

We are planning trips to visit a goat farm, a greyhound farm, the Bowmanville Zoo and Peterborough Zoo in the near future.

We wish to say thanks to the moms who sent a variety of vegetables to make our soup and for our plant garden.

This is the last article from this year's executive of the Nursery School, but the New Executive are working hard at bettering our school for the benefit of all of our children.

# Career in Art is Goal of Highlighter Cartoonist

By Brent Allison

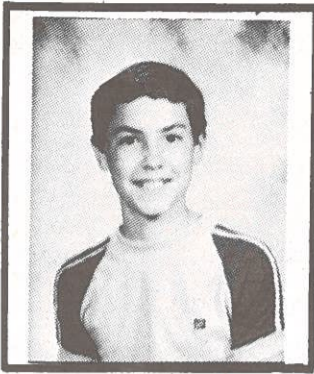

In glancing through the Highlighter, have you ever lit upon the Editorial Page Cartoon?

While looking at this amazing work you would probably see the initials M.H. and you think that the cartoon is one of a highly experienced adult cartoonist.

Unknown to most, the mystery cartoonist, M. H. is a student of MIHS. Yes, Martin Hawker is 14 years old, an A student in Grade 8.

In an interview, Martin said that he loves to draw science fiction, fantasy and war pictures; I'm sure you as a reader have noticed this from his work for this paper.

Martin said that he first got interested in drawing around the age

of six or seven, in Grade One. His teachers helped him to formulate his technique, while his parents and friends encouraged him to enter various contests.

In fact, Martin placed first in the Legion drawing contest held this year. Martin stated that he draws to "express his feelings". He draws for fun, a hobby.

Besides this paper, Martin has drawn for

various South Cavan School papers and the school yearbook. He has also drawn for his father's clock repair business.

For other starting artists, he recommends the same, and not to turn down any reasonable requests or suggestions to help improve his or her work.

When asked if one should have a mentor to oversee their work, Martin answered, "yes, but only if they encourage at no cost." Martin also said that a critic, to spot flaws and criticize would benefit his art technique.

Martin, in trying to expand his knowledge reads book and comics to observe other people's work. He is also looking for a summer art course of some kind but if unavailable he plans to continue to work on his own.

When asked about his plans for the future, Martin said he would like to find a career in the field of art, such as a newspaper or comic artist.

From observing Martin's work, I feel that he is well on his way to becoming a commercial artist of some kind.

## Ball Team Has 6-0 Record

By Sharon Smith

M.I.H.S. is proud to say that the senior girls 3-Pitch team had another successful year. This was the 4th year in a row that the girls have completed a full season without losing a single game. Millbrook de-

feated T.A.S.S. 24 - 11, then P.C.V.S. 17 - 2 to win both games of their first double header.

M.H.S. then played the following week beating Lakefield 12 - 5 in the first game and then defeating St. Peter's 22 - 6. The girls then played Adam Scott winning 29 - 11 and defeated Kenner 30 - 1, completing the season with a 6 - 0 record.

Unfortunately, on May 31st, they were defeated 16 - 15 by St. Peter's, their closest rival in any year. The championship lost, the plaque is now mounted in the halls of St. Peter's.

With any luck, however, the championship will be Millbrook's again next year, making the victory much sweeter.

playground Equipment. Door prizes were won by Eleanor Pickell - English riding lesson at Shingebiss Equestrian Centre, David Earl - Free lesson Cross Country Skiing at Maple Trail, Rose Anna Powell - Dinner for two at Kawartha Downs, B. Owen - Boat Cruise through Liftlocks. Raffle prizes were won by - Libby Arthur - Quilt, Mrs. Fenton - Doll's Cradle, Sheila Rogerson - Place Mats.

### GRADUATE

Michele Smith, daughter of Barry and Gail Smith, Millbrook, has graduated from McMaster University in Hamilton with a Bachelor of Commerce, majoring in accounting and information systems.

Michele is also a graduate of Millbrook High School and Public School.

## Students Raise \$ For Heart

Sixty-five students at South Monaghan Public School raised \$2,627.12 for the Jump Rope for Heart programme in April.

On Saturday, May 14, 19 students from North Cavan Public School took part in the Jump Rope For Heart Skipathon. Over \$702.00 was raised for the Heart Fund.

## South Monaghan School News

By Mrs. E. Armstrong  
South Monaghan Public School held their Fun Night on Friday, May 27th. There were many attractions including a Bake Table, Bazaar and Craft Table, Plant Table and a Grab Bag Table for the students. The games were very popular and well attended.

The evening was sponsored by the Community School Association and all proceeds will be used for new

## NORTH CAVAN SCHOOL NEWS

At the recent Peterborough County Board of Education relay and qualifying track and field meet held at Trent University, several relay teams and individuals from North Cavan Public School did extremely well.

In the girls 10 year old standing long jump, Wendy Chambers won a bronze medal jumping 1.98 m. In the relay, the 12 year old boys division, Drew Hoard anchored North Cavan's team to a gold medal in a time of 58.17 sec. for the 4 x 100 m. event. Other team members were Michael Van Drunen, Rusty Fisher, Chris Cinnamon and Jeremy Moore.

The 10 year old boys relay team consisting of Ryan Yorke, Shawn McGee, Barry McCamus, Jason Van Drunen and Paul Boyles

placed 4th in the county. In the 12 year old girls relay, North Cavan finished 5th in the final with a time of 60.53

seconds. Team members were Denise Van Drunen, Nancy Wilson, Laura Hodgkinson and Anna Goddard.

Demolition derby, messy at times, but fun to watch. This popular Friday night event was won by Ken Zampaloni of Claremont.

The pet show held Saturday morning is popular with the children.

# 1983 MILLBROOK FAIR

PHOTOS JAMIE RICHARDS and JIM CHAPLIN

The 134th annual Millbrook Spring Fair was held over the weekend.

Major attractions included a demolition derby, tractor pull and talent show featuring the Leahy Family.

The young and young at heart were of course attracted to the midway.

Many other events of interest were also included.

In this two page photo feature of the 1983 fair some of these attractions are highlighted.

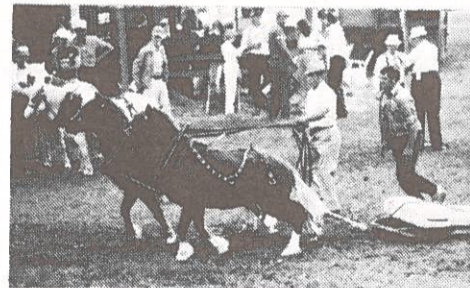

Many thanks to George Raab for his last minute work developing and printing. Without his help this feature would not have been possible.

The annual fair parade held Saturday at noon leads the crowd to the fairgrounds for the official opening.

A new queen is crowned. The 1983 queen is Patty Boynton.

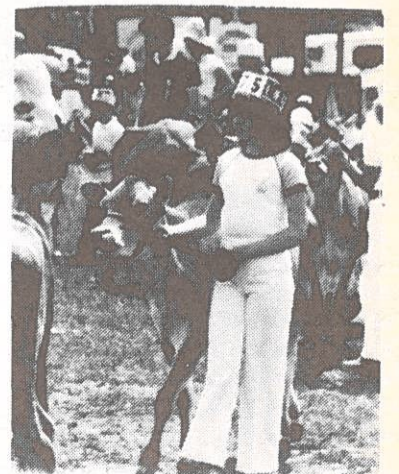

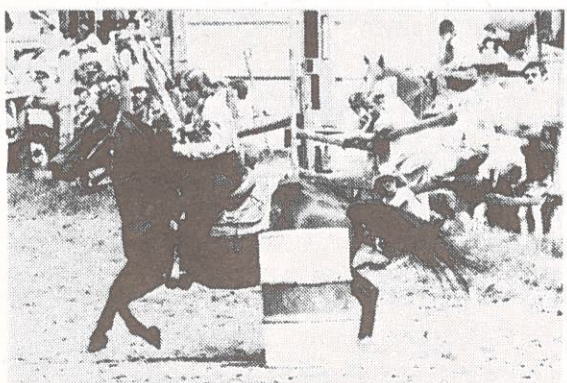

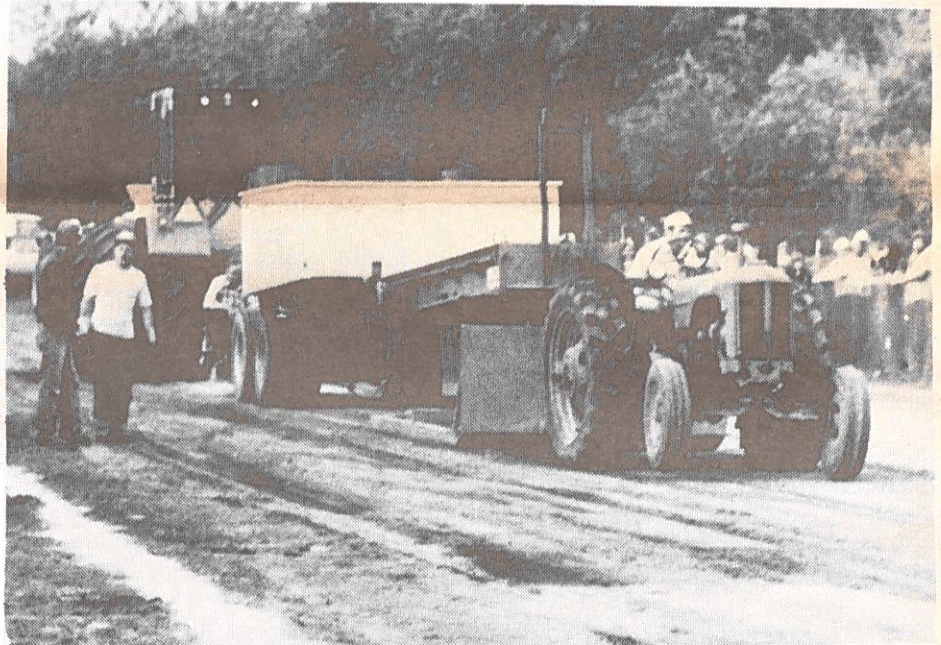

The pony pull (left) is just one of the events at the three-day fair. The main attraction for many, however, is the midway (below).

The Leahy Family (above) provided fine entertainment on Sunday afternoon. They also conducted the amateur talent contest this year. One participant (left) entertains the audience.

The air was filled with the roar of engines Saturday evening during the annual tractor pull (right).

A western horse show (far left), heavy horse pull (left) and cattle judging (above) were all part of the 1983 Millbrook Spring Fair.

# SPORTS

Photo Jamie Richards  
Many records were set at the M.I.H.S. annual Track Meet. Shown here running the relay race is Will Alexander left, Brian Brown right.

## Records Set At Track Meet

By Kris Armstrong  
Many school records were broken at the Millbrook Intermediate and High School annual Intramural Track and Field Meet held May 17 at Trent University. New records were set in 100m, 200m, 400m, running long jump, high jump, triple jump, discus, shot put and 1500 m.

The Intermediate Champions were:  
11 yr. Girls - Christine McChesney, Boys - Jeremy Gillis.  
12 yr. Girls - Theresa Heeringa, Boys - Jeff Thompson.  
13 yr. Girls - Eydie

Braat, Boys - Greg Luchuk.  
14 yr. Girls - Janet Danilko, Boys - Jim Park.

The High School Champions were:  
Midget Girls - Cathy Crowe, Boys - Brian Brown.  
Junior Girls - Karie Armstrong, Boys - Paul Sutton.  
Senior Girls - Tammie Gray, Boys - Wolfgang Von Minden.

Records were broken by the following students: Theresa Heeringa, Lisa Earle, Robin Cameron, Leslie Dickinson, Eydi Braat, Sarah

### Summer Bowling

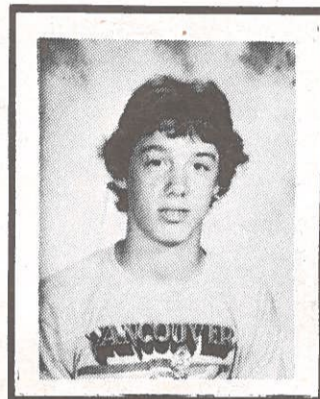

By Lianne Landry  
Monday, May 9 was the beginning of the Millbrook Mixed Summer Bowling League. There are 24 people participating, 15 women and 9 men. The best score of each three games is added to the bowler's total and at the end of ten weeks the top 5 women and top 3 men will receive cash prizes. At the end of four weeks the top woman was Pat Sorensen and top man was Larry Keates.

## Local Runner Competes at OFSAA Finals

By Leslie Armstrong

For the first time since 1975 a Millbrook High School student has competed in the all Ontario finals for track and field.

Brian Brown, 15, placed third at the Ontario Federation of School Athletic Associations (OFSAA) track meet held June 4 at Kitchener.

BRIAN BROWN

A first place finish in the 400 m and second in the 200 m at the OFSAA regional track meet May 28 qualified Brian for the all Ontario finals.

This meet was held at the Oshawa Civic Centre and involved schools from throughout Southern Ontario.

To achieve this high placing, Brian has had to qualify at three other track meets. It all began on May 5 where Brian placed 1st in the 200 m and 400 m at the Kawartha Qualifying meet, competing against 9 schools. He then advanced to the Kawartha finals on May

of Central Ontario, a total of 54 schools. Brian again placed 1st in the 400 m and 200 m.

As well as Brian, the school is fortunate to have many other talented athletes. Here are just a few with their recent achievements. Garth Carlson at Kawartha Finals - 2nd Long Jump, 2nd Triple Jump and 5th in Shot Put. COSSA - 2nd in Triple Jump and 3rd in Long Jump. OFSAA Regionals - 7th Long Jump. Tammie Gray Kawartha Finals - 4th Javelin. Karie Armstrong Kawartha Finals - 3rd Discus. Melinda Brown Kawartha Finals - 4th 800 m, 4th 1500 m.

### Boating Association Plans (Lake Ontario) Salmon Search

The Ontario Charter Boat Association and several sport-fishing groups in New York State are spearheading a "Salmon Search" in Lake Ontario during June and July. The objective is to locate the salmon and establish movement patterns depending on weather conditions and lake currents.

Every Saturday (starting June 4) and or Sunday, weather permitting, boats will be leaving harbours from Port Hope through to St. Catharines on the Canadian shore, and Niagara through to Rochester on the U.S. shore.

Specific fishing information will be collected from every harbour after each weekend's expeditions. All this information will be documented and analyzed on a weekly basis. It is important that the boats

leaving each harbour work as a group and all information relayed to each "Harbour Coordinator".

If we are consistent in our efforts throughout June and July, we believe a pattern may be established for the migratory salmon.

We are asking for assistance and participation from anyone interested in joining in. This does not mean you have to commit yourself to eight weeks of salmon searching. If you can participate for only one weekend, it would be extremely important.

Most of the fishing will be 5 - 15 miles offshore, and therefore, participating boats must be a minimum of 20 feet.

Most "Salmon Search" boats will be able to accommodate at least four people, and there will probably be boats in each harbour that would

enjoy the company of extra passengers just for the cost of sharing gas.

If you would like more information, or would like to participate in the "Salmon Search" contact the Harbour Coordinator in your area.

For the Port Hope district contact Ron Richards, P. O. Box 117, Millbrook, Ontario, L0A 1G0. Call 705-932-2656.

# Pontypool Church Gets New Minister

By Nettie Aiken

Pontypool has been assigned a young (in his thirties) enthusiastic minister, newly graduated and ordained, who hopefully will be arriving toward the end of June. Rev. John Lindsay is pleased with the space in the Bethany manse for a wife and two boys. Let us all support him, especially in his adjustment to us and us to him.

The Senior Citizens have been very busy. They will continue to meet every other Thursday until the

end of June and will resume in September. On May 19, the Keenagers received and used, fifty new song books containing all-time favorites in large print. This was a contribution from the Ontario Ministry of Community and Social Services.

The church is grateful for the donation of a refrigerator from the community hall, as the Keenagers purchased for themselves and other people in the hall, a new refrigerator, 84-cup coffee urn and an electric tea kettle.

Now that the days are warm and

sunny, there may be an inclination for pets to wander. You will earn the praises of a neighbor by keeping your pets under control at home and respecting other people's property. Let's keep this village beautiful with everyone's cooperation.

Summertime is also barbeque time. If you want to burn some twigs and rubbish raked from the lawn in the spring, you have to obtain permission from the Fire Chief, Keith Dewar. This regulation is for the protection of all of us.

Don't forget to come out to the park and support the 500 Fastball Tournament on the 17th, 18th and 19th of June. There is even one team from the United States this year.

The Women's Institute of Bethany has taken on the project of procuring street signs for their village. If there are any ladies who would like to join, telephone Viola Thorndyke at 277-2846. Those wishing a group to approach council via Bob Brown for similar improvements here, please phone me at 277-2718.

Jessie Fisk has arrived back in her normal residence tired but happy from her trip. We hope Ab Bowin is soon feeling better. Please let me know of any in need of remembrance. To close, here are a couple of lines to remember for a happy summer.

"Joy, temperance and repose  
Slam the door on the doctor's nose."

## Ad Hoc Committee Formed

By Pat Sutton

The Peterborough County Board of Education has approved the establishing of a study committee for each of the schools recently identified for possible closing. These schools include Millbrook High School, P.C.V.S. in Peterborough, and two public schools, Coronation and Fairview.

The study committees are to be formed prior to the end of June, and are to report to the Board of Education in February 1984, for a Board decision by May of that year. A total of five parents - ratepayers are to be a part of each study committee, which will also include one superintendent of instruction to be appointed by the Director of Education, two trustees

appointed by the Board, the school principal, and one teacher selected by the school staff, making ten committee members.

Of the five parents - ratepayers, three are to be parents of children attending either the high school or the feeder (public) school, while the remaining two must be ratepayers without children presently in the school system.

Nominated locally as parent committee members are Wendy Brown, Don Hedlund, George Luchuk, Joan McDonald, John Pritchard, and Pat Sutton.

The school association has also nominated Grace Glass, Bill Thomas, Vicki Trerise and Harry Williams as ratepayers.

The Ad Hoc Committee of the Peterborough County Board of Educa-

tion formed to oversee the studies, will review the ten nominees submitted by each of the school associations and the preferences indicated by the trustees, and will bring a recommendation to the Board before the end of June of appointees to the respective committees.

To assist the people chosen for the Millbrook study committee, there will be a resource group set up, consisting of one key figure from each organization within the Millbrook - Cavan area. This group is to be called the Millbrook High School Resource Committee.

"Save the High School" buttons are now on sale throughout the area at a cost of 75 cents per button, as the beginning of a fund-raising drive to help save the school.

## Umpires Needed

By Ed Chaplin

A total of 120 youngsters in Millbrook have signed up for softball and T-ball this year, and the season is underway.

Four T-ball teams have been formed for children ages 4 to 10 and round-robin tournaments are planned for the month of July. It is hoped that games can be set up during the month of August with teams in neighbouring communities.

All Millbrook Softball teams belong to the Pontypool and District Softball League, giving them the opportunity to play throughout the area, reaching as far as Yelverton. Tournaments have so far been set up for July 16 and July 30 for Senior Girls. Both tournaments are to be held at the Millbrook Fair Grounds.

Softball in Millbrook is seriously hampered by a critical shortage of umpires, and several teams were unable to participate this year for lack of a coach. It is hoped that adults in the community will show a greater interest in the welfare and recreation of the younger people, and that the situation will improve.

## Flea Market

The Cavan Recreation Committee is holding a Flea Market at the Community Hall in Cavan this weekend.

The doors will open at 4 p.m. on Friday, June 17, closing at 9. On Saturday, the Market will run from 9 a.m. to 6 p.m., and on Sunday, from noon until 6.

To rent a table for \$8, or to make a small-item donation to the Recreation Committee table, call John Pritchard at 944-5519 or Kathy McGregor at 932-5400.

Millbrook - Cavan - South Monaghan

### WE BELIEVE...

- ... the Bible is the Inspired and only infallible and authoritative written Word of God.
- ... there is one God, eternally existent in three persons: God the Father, God the Son, and God the Holy Ghost.
- ... in the deity of our Lord Jesus Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death, in His bodily resurrection, in His ascension to the right hand of the Father, in His personal future return to this earth in power and glory to rule a thousand years.
- ... in the Blessed Hope—the rapture of the Church at Christ's coming.
- ... the only means of being cleansed from sin is through repentance and faith in the precious blood of Christ.
- ... regeneration by the Holy Spirit is absolutely essential for personal salvation.
- ... the redemptive work of Christ on the cross provides healing of the human body in answer to believing prayer.
- ... the baptism in the Holy Spirit, according to Acts 2:4, is given to believers who ask for it.
- ... in the sanctifying power of the Holy Spirit by whose indwelling the Christian is enabled to live a holy life.
- ... in the resurrection of both the saved and the lost, the one to everlasting life and the other to everlasting damnation.

# AUDITOR'S REPORT

To the Members Council,  
Inhabitants and Ratepayers of  
the Corporation of the  
Township of Cavan:

We have examined the balance sheet of the Corporation of the Township of Cavan as at December 31, 1982 and the statements of revenue and expenditure, capital fund operations, trust funds continuity, and reserve and reserve funds continuity for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests and other procedures as we considered necessary in the circumstances.

In our opinion, these financial statements present fairly the financial position of the Corporation of the Township of Cavan at December 31, 1982 and the results of its operations for the year then ended, in accordance with generally accepted accounting principles for Ontario municipalities applied on a basis consistent with that of the preceding year.

# Important Notice

Despite all our efforts some confusion as to deadlines still seems to exist.

I can not emphasise strongly enough the importance of deadlines to the production of the paper.

All special columns and feature articles are due the last Wednesday of each month. Any

news copy that can be written by that date is also due then.

All advertising space must be reserved by the first of each month and all news copy is due on the same date unless otherwise stated to the individual writer.

The paper will publish the third Wednesday of each month.

If these deadlines seem extreme to anyone I will be pleased to explain why they are so. Just give me a call at 932-5487.

information may be gained also by attending one of the regular meetings held EVERY Wednesday at 7 p.m. and 11:40 a.m. (1 p.m. in July and August) at the high school.

Some reorganization of the paper is taking place, which is especially important for the summer months.

Celia Hunter will now

be responsible for all editorial copy. She should be informed of any newsworthy events and all club reports, news columns and stories, etc. may be left with her. She may be contacted at 932-3130.

For advertising, if no one can be reached at the school number, 932-2789, there are three other numbers that can be called, 932-3139, 932-5436 or 932-5487.

## Student Hired For Summer Recreation Program

By Lianne Landry

Theresa McDonald has been hired as student project manager for the children's summer recreation program being offered by the Recreation Committee this year.

This program is being made possible through a federal government grant under the Summer Canada Student Employment Program.

Theresa will be helping Recreation Committee members choose two more employees from the ten applicants for jobs as her assistants, and then the group will go on to plan the day to day operation of the program.

The arena board has given permission for the use of the upstairs in the arena as a base for the program. Children aged 5 through 12 are invited to register on Monday of each week of the program beginning on Monday, July 4 and running through Friday, August 26. There will be a charge of \$3 per child per week to help cover the cost of craft supplies. The day will run from 9 a.m. till 4 p.m. with children going home for lunch from 12 p.m. In special circumstances, it may be possible to arrange for supervision of your child over the lunch hour. This can be discussed with Theresa at time of registration.

## \$1,000 Winner

by Jamie Richards  
The \$1,000 grand prize at the Eastern Star Elimination Draw

and Dance was won by Mrs. Agnes Bull on May 20 at the Millbrook Legion Hall.

# Co-operative Education

Notice to area business people, schools, churches, municipal and county offices, provincial agencies, medical practitioners, and area residents.

Millbrook High School in 1982-83 began on a pilot basis a co-operative education program in our community.

For the 1983-84 school year we have about fifteen senior students who wish to earn co-operative education credits and gain practical experience by working one hundred and eighty hours in a place of employment at no cost to the employer.

The objectives of this program are as follows:

- To provide on-the-job training.
- To provide an opportunity for career exploration.
- To increase the number of students staying in school.
- To provide the student with job related instruction in school.
- To enhance the relationship between school and community.
- To promote better understanding of the relationship between formal education and job success.
- To develop attitudes necessary for successful human relationships particularly as they apply to a work environment.
- To provide a useful service to organizations, businesses, and services in our community.

Mrs. MacFarlane from our staff will be the 1983-84 co-ordinator for this program. If you wish further information please call us at 932-2789, and we will explore the benefits this program may have for you and our students.

# Many Factors Contribute to Quality Hay

## A Farmer's Viewpoint

By Ken Fallis

To any farmer who feeds cattle, or for that matter sheep, it's unnecessary to define quality in hay. So, we'll use this space to discuss the importance of the factors which the farmer recognizes as being what he calls "good hay".

1. **Palatability.** Ruminant animals, cattle, sheep and goats, are equipped by nature to handle great quantities of roughage; hay pasture and silage. If the palatability is high the animal will consume all it can hold, thus reducing the need for concentrates, grain and protein supplement. But if the hay does not appeal to the cow's taste, she will just eat until she's no longer hungry, and much of the nutrients to produce milk will have to come from higher priced concentrates.

2. **Protein.** Alfalfa, brome and timothy mixtures can run all the way from zero to 20 percent protein. A happy medium is probably around 10 percent. If there's more alfalfa than grass in the mixture, it might well get up to 16 percent. Pure alfalfa cut in the bud stage, no blossoms, could make the 20 - 22 percent protein level, if the weather was fine from swathing to baling.

3. **Vitamin A.** Vitamin A is associated with the green colour in hay. Weathering, resulting in loss of green colour reduces or even eliminates vitamin A. Protein can remain high in pretty weather beaten hay, but not so with vitamin A. Vitamin A is also lost in storage, so even green coloured bales one or two years old may be entirely lacking in vitamin A.

**Optimum - not maximum hay quality.** Optimum is sort of a compromise, the most practical way a farmer can take to store hay of high palatability, high protein content, and green colour, the Vitamin A indicator.

**Palatability.** In judging hay, the first thing we look at is colour. Green colour in new hay is assurance of vitamin A content. It is a less reliable indicator of protein content. We have been told so often that dogs are colour blind. I never heard whether cows are colour blind or not, but I do know regardless of hay colour, cows eat first the leaves, leaving the stems either till they're swept out, or till they get hungry enough to clean up the manger themselves.

So, the first objective in pampering the old cow is to offer her a forage with a high leaf to stem proportion. How? Thick stands make for fine stems. Sparse stands may yield as many tonnes, but the ratio of leaf to stem is not to the cow's liking. Alfalfa is leafier than timothy, or brome, so the alfalfa fraction should exceed 50 percent of the hay mixture. But, the brome and timothy is important, since they fill in the spaces where alfalfa is scarce, thus keeping the remaining alfalfa plants down to edible sized stems.

Of course weather at haying time is the uncontrollable factor in making good hay. Weather reports are helpful in deciding when to swath, when to bale. If the hay is a bit too tough to bale today, but it's sure to rain tomorrow, what do you do? Musty hay is surely less palatable; some nutrients are broken down by moulds, and in the extreme the stored tough bales may ignite and burn down the barn. On the other hand, it may not only rain tomorrow, but all next week, in which case the hay you need for next winter just isn't there. Successful farmers have become experts at "flying by the seat of their pants", in other words outguessing the weather forecasts, without ignoring them.

**Protein:** Hay mixtures - ratio of legume to grass is the first consideration. Pure alfalfa is presently the crop that has the best chance of producing the most protein per acre. But mixtures, like alfalfa - brome, alfalfa timothy, may increase the animal's intake, cows may like a variety in their diet. They may also increase the total yield. Also the grasses are good insurance, a bad summer, hot and dry in the seedling year, a severe winter in any year of the haycrop's life can seriously reduce the legume portion but nothing the weather can do will eliminate the brome and timothy, once they become established. So, sometimes, half a loaf is better.

**Stage of harvest.** As alfalfa, and most forage legumes approach maturity, the protein content

drops. Maximum protein per acre is obtained when alfalfa is cut in the bud stage, before any blossoms show. Total tonnes would be greater if the crop were left until full bloom, but the reduced protein would reduce the dollar value of the crop in terms of dairy ration and protein supplements.

We use alfalfa as the example; it is the number one forage legume, but we also acknowledge the role of the other legumes, red clover and bird's foot trefoil. Red Clover, a one year harvest, compared with four or five of alfalfa mixtures, gives good yields of hay, somewhat lower in protein than alfalfa, but if harvested in early bloom, without excessive weathering, is equally acceptable to cows. The stems may be coarser, but they are softer. Bird's foot trefoil thrives where alfalfa won't grow at all and red clover, only poorly. Trefoil is a perennial once established; it lasts for years. As pasture, it is ideal. As hay, the best varieties exceed red clover and may come close to alfalfa, in the same climatic area, but not on the same soil type. Alfalfa demands well-drained soils, trefoil can tolerate indifferent to poor drainage. As

hay, however, trefoil leaves something to be desired. In its favour, protein levels hold after blossoming. In fact, trefoil sets seed, it ripens, and blossoms keep coming until frost or the swather stops the process. So timing of hay harvest is not so critical. However, trefoil leaves, like trefoil seed shatter very easily. So in the hay crop, it is too easy to bale the stems, leaving the leaves on the ground. In the seed crop, it is easy to combine the crop after the most productive seed pods have shattered, and been left on the ground.

At this time, it looks as if new seedings and old meadows survived the snowless winter very well. We wish for our readers, if any, a sunny June, with enough dry intervals to make good hay, and enough June rains to promote the oats, barley, corn, and soybeans.

Somehow, although it was not my intent, I ran out of space without mentioning the early and medium varieties of alfalfa, the presently most useful varieties of trefoil and red clover, and the seed requirements of various forage crop species. I hope to cover these in future issues of the Highlighter.

## COMMUNITY LEARNING OPPORTUNITIES

SEPTEMBER 1983  
JANUARY 1984

Again this year the staff and parent ratepayers association invite adults of any age to study part time or full time at Millbrook intermediate and High School. Some courses run from September to January, some from January to June and others the whole school year. Adults can study with no personal enrolment fees. Listed below are courses offered this year and the general study area for each course. Simply detach the section below the dotted line, circle the program, programs, of interest to you, write your name, address and phone number on the form. Return it to the school as soon as possible and we will contact you with further information.

**Pastor Leaving**

Rev. and Mrs. Wayne Wardell, Cherie, John, Jeffrey and Krista will soon be leaving Millbrook. For the past 5 years, Rev. Wardell has been chaplain at the Millbrook Correctional Centre. He leaves with his family, at the end of August to

assume the pastorate at The Missionary Church, Collingwood. The Wardell family have taken a keen interest in school and community life while in Millbrook and have many friends here. The children are enrolled at South Cavan Public School.

The Wardell family leaving the community at the end of this summer for Collingwood.

**No Canada Day Activities This Year**

By Lianne Landry  
At the regular May meeting of the Millbrook Recreation Committee it was decided not to hold Canada Day Activities this year. Due to problems with using the mill pond for

canoe races this year and a lack of interest by both committee members and the general public, it was felt that the activities should be cancelled. Next year, with the pond, dam and new park

in good working order, a successful day should again be possible. The fireworks will continue as planned on July 1st at the fairgrounds at dusk with members of the Fire Department in charge of the display.

The dance previously promised will also go on. Music will be by Cimmarron on the floor of the arena from 9 p.m. till 1 a.m. Tickets are available from Recreation Committee Members at a cost of \$4 per person in advance or \$5 at the door. Help support local recreation programs - come and have a good time at the

Softball and T-ball seasons are underway. Watch the bulletin board by the Legion for game times and location as it has been necessary to schedule some home games at the High School. T-ball is being played every Wednesday at 6:30 p.m. at the High School. Umpires are desperately needed! You don't need to be carded for umpiring regular season games - just willing. If you can volunteer any time to help make the children's softball program a success call 932-5436.

**DOES YOUR FINANCIAL ADVISOR MAKE HOUSE CALLS?**

At Investors, we don't keep bankers' hours. We keep yours. So if you can't come to us, we'll come to you.

Your Investors advisor can help you put together a written, comprehensive financial blueprint. A blueprint that will help you reach your personal financial goals.

If you need advice on anything from saving taxes to investment opportunities, talk to your Investors advisor. Today.
